About Us

Amreya Linens was established in 1983 as a fully Egyptian-owned joint-stock company under the Banque Misr, Amreya Linens has become one of the leading textile industry players in the Middle East. Located near the Port of Alexandria

History of the Factory

For over four decades, Amreya Linens has been more than just a textile factory; it's a success story deeply rooted in Egypt's rich heritage. Established as the second largest spinning and weaving factory in Egypt, our company has consistently set the benchmark for quality and innovation since its inception.

Mission Statement

We are committed to delivering innovative, high-quality Egyptian textiles that meet customer needs and exceed expectations, combining traditional craftsmanship with cutting-edge technology for sustainable solutions.

Company Vision

To be a global leader in the textile industry, showcasing exceptional Egyptian quality through innovative products that exceed customer expectations, blending traditional craftsmanship with advanced technology.
